THANK YOU FOR YOUR CARE**

I hardly had to wait. The nurse was efficient, I had a blood test which didn't hurt at all.

International Women's Day 2025 – 9th March

Collaboration is key to advancing women's equality.

International Women's Day is a global day to celebrate the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating women's equality.

IWD had occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people. Today IWD belongs to all groups collectively everywhere. IWD is not country, group or organization specific.

Weight Loss Injections

Recently there has been a lot of media coverage on the use of weight loss injections (Mounjaro, Ozempic, Wegovy) and as it stands the NHS has no formal service to safely prescribe these medications under the obesity license, despite the demand.

We currently provide these medications for eligible type 2 diabetes patients who are struggling with clinical obesity under diabetes optimization plans.

No Smoking Day 2025

Wednesday 12th March

This year's campaign is based around the positive theme 'Take back your life this No Smoking Day'

Emmer Green Surgery offers a smoking cessation clinic to all patients every Wednesday between 4pm-6pm. Please contact reception if you would like an appointment.

Free Wills Month

Free Wills Month brings together a group of well-respected charities to offer members of the public aged 55 and over the opportunity to have their simple Wills written or updated free of charge by using solicitors in selected locations across the UK.

An up-to-date Will written by a solicitor ensures your wishes are respected. It also avoids difficult decisions and legal complications for your loved ones. A gift in your Will costs you nothing now but can make a difference for years to come.

Those taking up the offer are under no obligation to leave a gift to one of the free wills months charities, however we hope that many will see this as a chance to help their favourite cause.

Appointments are limited and are allocated on a first come first served basis.

See www.freewillsmoonth.or.uk for more information.
