

Reading Hospital

Beyond Antibiotics: A New Approach to Recurrent UTI's

During this informative session, Professor Yang will cover:

- The latest understanding of why people get recurrent UTI's
- Consultation processes and investigation methods to identify UTI's
- The latest non-surgical treatment options available
- When surgery may be considered and what patients can realistically expect
- Red flag symptoms and when to seek specialist advice
- A live Q&A session, giving attendees the opportunity to ask questions in a relaxed setting
- This session is suitable whether you are already exploring treatment options or your UTI symptoms are new.

Professor Bob Yang
Consultant Urologist

Friday,
4th September

18:00PM BST

Circle Reading Hospital,
100 Drake Way,
Reading,
